47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. I was an internet and landline customer of ATT for years, and was never happy with their prices or service. We finally had a chance to sign up with Sonic and get not only landline and fiber optic service but better prices and customer service. On top of that I get to support a local business. We have been very happy with Sonic so far. I encourage you to support broadband competition.
